Dr. Mugerwa,

It's very late at night right now, so I'll only write a short email, I will send a longer one tomorrow. Why did you say such hurtful things like:

 you very poor people and am not working with broke gay niggers.
and

my company is not affiliated to your fake organisation
and

am no longer part of GNAA and am not your corporate members. Please do it now
or you will face legal action.
and

I don't work on lies, I only work with transparent people with truth.

These things were *very* hurtful Dr. Mugerwa. Why did you say them?

Yours,
Leon

Do you think we have any common goal? Really, how can you spend all that time without communicating to me?

That is why I told you to delete my profile from your website because you are not serious at all.

Do it and let me know when you have removed my name from your business, I will not write to you again if you do that.

I am actually in negotiation with my attorneys in California to see how we can go about it and very soon expect to hear from Court and my files if I do it. I am sorry I have failed to work with you.

Regards, Dr. Mugerwa Noah.

Dr. Mugerwa,

On what grounds will you be suing us?

See you in court,
